

## **Junior Warden's Report**

This will probably be the shortest report; and that should be good news. Good news because last year we didn't have a lot of expenses for maintenance. We even underspent the budget! However just like our own homes, our church home had a few projects to complete. The pool needed a new motor which we replaced. The beautiful mosaic entrance archway was also completed along with the landscaping. The parking lot was expanded with the Deacon Steven Memorial fund; and the church hall had new beautiful, handcrafted cabinets installed; graciously donated by N. Nancy Hall.

In addition to these projects were the Paschal and Nativity clean ups as well as the weekly cleaning of the church and hall. Thank you to all of those who clean; to those who helped with the archway, mosaics, and landscaping; the parking lot; those brave men who took on the roof; who clean the outside, mow the lawn and blow all the leaves away. Thank all of you for your time, effort, and donations so that we can keep Christ the Savior Orthodox Church clean and updated. I must thank Don Rowe for his leadership in taking us through a few rough years of unexpected repairs to get us where our church is today. And most of all, thanks to God for the talents with which he has blessed us.

Sincerely,

Cheryl Kokkinos  
Jr. Warden
