

Senior Warden Report for 2024 Annual Meeting

To the Christ the Savior parish,

Thank you for giving me the chance to serve as your senior warden for the past two years. It has been great to get to know how things on the parish council work and what's needed to get tasks and goals accomplished.

This year the maintenance and improvements made to the church were:

- The paving and enlarging of the parking lot and exit road. Thanks to the generosity of Deaconissa Nancy and donations made to Deacon Stephen's fund.
- The installation of the archway lighting and archway iconography, completing the archway project.
- New landscaping designed and installed by Taylor Applegarth.
- The replacement of the pool motor.
- The installation of new crosses on the church, rectory, hall, and archway. Thanks to Fr John, Alex, and Nicholai Parsells.
- Repairs made to the roof thanks to Zack Davidson, Alex Ortiz, and Nicholai Parsells.

I would also like to thank everyone that volunteered their time for the parish cleanup this winter and helped make our church beautiful.

We were able to make progress towards the construction of a new church thanks to Tom Matthews and the long-term planning committee. Tom volunteered his own time to contact multiple people from the county and survey companies in order to give us accurate information on the steps needed to start construction.

With the generosity of the parish, Christ The Savior was able to finish the year \$3,500 in the black. I would like to thank everyone for helping us meet that goal and keeping our church financially sound for the future.

During Pascha last year we sold 119 luminaries totaling \$595. I would like for us to continue doing this each year. It is also my hope that we can come up with other ways to raise funds for projects, maintenance, and further growth.

This year Barbra Kaloroumakis and I will be stepping down from our officer positions. Council members whose terms are also ending this year are Ginny Borodulia, Joanne Bushman, and Pat McAlpin. Thank you all for your hard work and dedication to making this a thriving parish.

I hope to continue to serve the people of Christ The Savior as best I can.

God bless,
Justin DeArmitt
