

REPORT OF THE LONG-TERM PLANNING COMMISSION

MISSION STATEMENT:

With the grace of God and to His glory, the long-term planning commission will provide a plan for the Christ the Savior Parish for Capital Improvement with the primary goal being construction of a new Church Temple according to the Tradition of the Orthodox Church.

GOAL: Build a new Orthodox Church on our current property.

Approved at the 2019 Annual Parish Meeting

ACTION ITEMS:

- [COMPLETED] Advise and obtain approval from the Parish Council.
- [COMPLETED] Meet with Worcester County building department to get buy-in and help for the construction project.
- [COMPLETED] Create separate building fund accounts [operating + savings] for donations to be used only for planning and construction of a new Church on our current property.
- [COMPLETED] Expand septic reserve capacity for future facilities.
- [2022] Perform a wetland delineation.
- Determine where on the property to best locate the new Church, additional parking, and other desired facilities.
